DETROIT-- February 25, 2020 –100+ Millennials Who Care (100MWC), founded in September 2018 have reached over \$50,000 in contributions in less than two years. Contributions come from their 80 members and various corporate partners who pay to sponsor the quarterly meetings and make a donation to the winning organization. Most recently the group has donated \$9,000 to Detroit-based Empowerment Plan. They will visit the Empowerment Plan to present the group with a check and take a tour of their facility.

“It is overwhelming to be able to say we have helped so many wonderful organizations in such a short period of time,” said founder Michelle Denno. “We have such a generous group of members and corporate partners that have made this possible, and we are looking forward to being able to say we have donated over \$100,000!”

The group has worked with charities from all over Southeast Michigan including: Maggie's Wigs 4 Kids, Dutton Farm, Grace Centers of Hope, The Power Company Kids Club and Fleece and Thank You. Corporate partners have included companies such as: United Shore Wholesale Mortgage, UHY LLP, Lucido Jewelers, Anderson Financial and Freestar Financial.

The group's next meeting will be held on April 22 at 7:00pm at The Dow located inside Dick O'Dows in Birmingham. Representatives from the Empowerment Plan will be in attendance to recap where the funds were allocated for the rest of the members. Three new charities will be nominated and one will be chosen to receive the next donation.
